I’m Lakshmi Kannan, a professional makeup artist and internationally certified trainer with over 6 years of experience in the beauty industry. As the founder of Winsome Artistry, my work spans across bridal, celebrity, editorial, runway, fantasy, and SFX makeup.

My artistry is defined by structured eye looks, flawless skin-like bases, precision detailing, and creative versatility. I’ve had the privilege of working with top designers like Neeta Lulla and Tarun Tahiliani, celebrities such as Sharmiela Mandre, and well-known Chingari influencers. My collaborations also include leading brands like Koskii, Samyakk, and Vishwas Jewels.

Over the years, I’ve been part of prestigious fashion events including Bangalore Times Fashion Week, and I’ve trained over 1,000 aspiring artists while working with 800+ brides and 900+ professional models.

With an international certification from City & Guilds, UK, my goal is to empower others through education, and continue pushing creative boundaries in the world of makeup and artistry.
